Dear Golfer,

Welcome to FM's 27th Annual Golf Classic, "Keeping Futures on Course!" We are extremely grateful for your support. The Annual Golf Classic is the College's main fundraiser to support its mission and goals. Monies raised through this year's event will assist with scholarships and special projects of The Foundation. The format of this golf outing is a scramble. The rules and scoring are in this booklet, as are today's contests. Questions can be directed to a committee member listed below or to Golf Pro Joe Carville. Rules for Play

The format for today's tournament is a FOUR-PERSON SCRAMBLE. Please follow these rules as you play:

- At Registration, please submit an accurate handicap not to exceed 27 for men and 36 for ladies. The Tournament Committee has established a handicap chart which will be used for today's tournament. Note: men tees are white; women tees are red.
- Each golfer drives from the tee at each hole.
- Players then retrieve the balls (3 total) that will not be used
- & proceed to the location of the best drive or golf shot.
- Each golfer then hits their next shot from the best position
- within one club length, no closer to the hole.
- Continue this procedure through to the green, taking the best shot each time.
- Once on the green, mark the position of the best putt. ALL players should putt from the marked position. Do not tap- in ball until all players have tried to make the putt.
- If a player misses a putt and then taps-in before the other players have attempted a putt, the tap-in terminates all play on that hole.
- Once you have reached double bogey, please pick up & proceed to the next hole.
- Any scoring questions should be brought to the attention of Rolling Hills Golf Pro Joe Carville.
